Any assistance required in adding new fields is included for clients with annual support, contact us at [BAACsupport@comcast.net](mailto:BAACsupport@comcast.net) or call us at 800-457-9326 for this assistance.

Version/Date	Change Description	New Fields
2/27/12	Corrected make deposits when one or more where checked for deposit, and then one was voided. This caused the deposit to not be properly grouped in the related register.	
1/4/12	New Report, Reports A-Deposits by Payment Type and Date Range.	
10/14/11	Minor cosmetic improvements	
12/23/10	Added in Budget Detail, a new feature for showing actual by month for that budgeted year. When viewing this by month budget details, added capabilities for several views (By this year only, by income only, etc.). Repeated these added capabilities to show a report or export as well.	
12/08/10	Modified Open Register to go to a new record, not the last record. Users could by accident overwrite the last entry thinking it's a new entry.	
11/1/10	Corrected General Journal entries for P and L and budgets for logging expense-to-expense adjustments. They were reversed.	
10/22/10	Fixed Account Totals by Date Range and Monthly financial by account reports. The reports were not taking into account general Journal entries	
10/20/10	Improved General Journal to account for transferring from an income to expense and expense to income	
8/29/10	Minor Adjustments to Label Margins/Spacing for Avery 5160 (30/pg)	
7/18/10	Add auto log on capability as option for single users and demo versions	
	Add Ability to Backup Data files to PST ftp server, New batch file to install an updated application
